

**Adventures of the Heart/Feminine Hearts Alive  
Monthly or Quarterly ACH Contribution Authorization Form**

Based on feedback, we have set up a system called **ACH**—Automatic Clearing House—which is a new service where you can set up an automatic debit from your checking account. Basically each month or quarter, the amount you want to give to Adventures of the Heart/Feminine Hearts Alive can be sent electronically from your bank free of charge. Many have found this to be very helpful because they want to financially contribute, but forget and/or don't like writing monthly checks. In this way, whatever amount you choose can be sent as a contribution each month or quarter and you don't have to do anything, it's done for you. Whenever you want to discontinue ACH, it can be done simply by notifying us within 30 days.

If you would like to set this up so you can contribute to Adventures of the Heart/Feminine Hearts Alive, then please print this form, complete the information below, and mail this completed form with a **voided check** from the checking account you wish to contribute from. Mail the form and the check to the address listed below.
